#### CODIFICATION

Section was formerly set out as a note under section 501 of Title 31, Money and Finance.

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

#### AMENDMENTS

1998—Pub. L. 105-276, which directed the insertion of “or reimbursed” after “that such fund shall be paid in advance”, was executed by making the insertion after “That such fund shall be paid in advance”, to reflect the probable intent of Congress.

1997—Pub. L. 105-65 substituted “a ‘Working capital fund’ to be available without fiscal year limitation for expenses and equipment” for “a franchise fund pilot to be known as the ‘Working capital fund’, as authorized by section 403 of Public Law 103-356, to be available as provided in such section for expenses and equipment” and struck out proviso at end which read “: *Provided further*, That such franchise fund pilot shall terminate pursuant to section 403(f) of Public Law 103-356”.

### § 4371. Congressional findings, declarations, and purposes

(a) The Congress finds—

(1) that man has caused changes in the environment;

(2) that many of these changes may affect the relationship between man and his environment; and

(3) that population increases and urban concentration contribute directly to pollution and the degradation of our environment.

(b)(1) The Congress declares that there is a national policy for the environment which provides for the enhancement of environmental quality. This policy is evidenced by statutes heretofore enacted relating to the prevention, abatement, and control of environmental pollution, water and land resources, transportation, and economic and regional development.

(2) The primary responsibility for implementing this policy rests with State and local government.

(3) The Federal Government encourages and supports implementation of this policy through appropriate regional organizations established under existing law.

(c) The purposes of this chapter are—

(1) to assure that each Federal department and agency conducting or supporting public works activities which affect the environment shall implement the policies established under existing law; and

(2) to authorize an Office of Environmental Quality, which, notwithstanding any other provision of law, shall provide the professional and administrative staff for the Council on Environmental Quality established by Public Law 91-190.

(Pub. L. 91-224, title II, §202, Apr. 3, 1970, 84 Stat. 114.)

#### REFERENCES IN TEXT

Public Law 91-190, referred to in subsec. (c)(2), is Pub. L. 91-190, Jan. 1, 1970, 83 Stat. 852, as amended, known as the National Environmental Policy Act of 1969, which is classified generally to chapter 55 (§ 4321 et seq.) of this title. For complete classification of this Act to the Code, see Short Title note set out under section 4321 of this title and Tables.

#### SHORT TITLE

Section 201 of Pub. L. 91-224 provided that: “This title [enacting this chapter] may be cited as the ‘Environmental Quality Improvement Act of 1970’.”

### § 4372. Office of Environmental Quality

#### (a) Establishment; Director; Deputy Director

There is established in the Executive Office of the President an office to be known as the Office of Environmental Quality (hereafter in this chapter referred to as the “Office”). The Chairman of the Council on Environmental Quality established by Public Law 91-190 shall be the Director of the Office. There shall be in the Office a Deputy Director who shall be appointed by the President, by and with the advice and consent of the Senate.

#### (b) Compensation of Deputy Director

The compensation of the Deputy Director shall be fixed by the President at a rate not in
